ICONICDOORS são a verdadeira alma da sua casa, portas que acolhem e protegem. Icónico do grego eikonikós "Pintado do Natural", ilustra o que de mais exclusivo a natureza proporciona, a "madeira", e na sua seleção responsável a qualidade pura e simples. Através de um olhar contemporâneo, criámos portas que traduzem toda a sua personalidade, inspirando, definindo e complementando ambientes. Revestidas a folha natural de madeira manejada pelos nossos especialistas, conjugada com embutidos de madeira.

ICONICDOORS are truly the heart and soul of any household, providing shelter and protection. Iconic is from the Greek eikonikós "Painted from the Natural". It illustrates that which is most exclusive in nature, "wood", as well as the pure and simple quality resulting from its responsible selection. Through a contemporary appearance, we have created doors that reflect your entire personality, inspiring, defining and complementing environments. These are coated with natural wood veneers handled by our specialists, combined with wooden inserts.

Las ICONICDOORS son la verdadera alma de su casa, puertas que reciben y protegen. La palabra icónico viene del griego eikonikós, "pintado exacto al natural", e ilustra lo más exclusivo de la naturaleza, la madera, y, en su selección responsable, la calidad pura y simple. A través de una mirada contemporánea, creamos puertas que traducen toda su personalidad, inspirando, definiendo y complementando ambientes. Revestidas de chapa natural de madera tratada por nuestros especialistas, combinada con inserciones de madera.
